^^ Estimated savings or best plan confirmation shown on the front of your bill are based on your past 12 months usage, or your available usage data (if less than 12 months) and our current in market plans at the time this bill was issued. We update our plans from time to time. If you switch plans, the amount you may save will depend on the plan you choose and the amount of energy you use. Go to energyaustralia.com.au/vic-changes to find out more.

For information on greenhouse gas emissions generated from your electricity consumption please refer to the graph overleaf.

Direct debit to your bank/credit union account will take place on 25-07-2024.
